

# How to Draw Anne

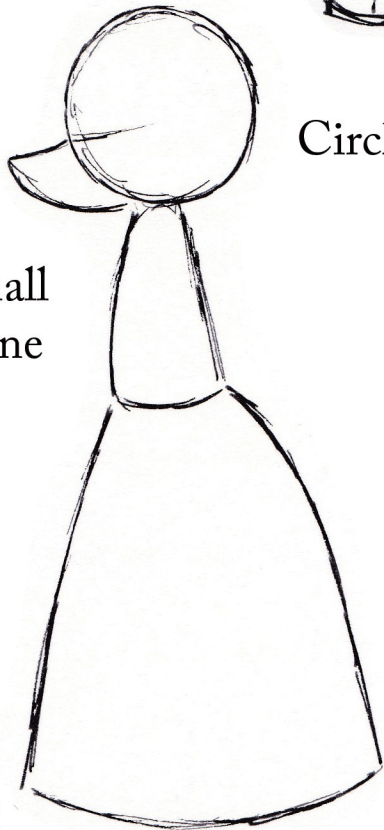

1) Anne is made up of simple shapes. Her head is a circle, her middle is a small cone, and her skirt is a large cone.

2) Add Anne's hair, arms, tail, face, and bow. All of these parts are also made with basic shapes.

Hair is made up of small circles.

Arm is like a carrot shape.

3) "Clean up" her lines. Go over your drawing and fill in small details.
